For Spring Flowers—Plant this Fall

If you hope to enjoy the pleasures and beauty of a lovely spring garden, with its additional reward of satisfaction and inspiration, Nature demands that you prepare for it at this time.

With your decision to act at once, please also resolve that you will plant the finest quality bulbs so that this spring your garden may be the vanguard of a most beautiful season.

The Superior Quality Bulbs, which we are now offering you, will more than justify your anticipation. However, it is imperative that you order your Tulip and Daffodil requirements NOW, as the limited stocks and constantly rising prices demand immediate action.

Help us thereby to serve you best. Thank you.

*“Flowers from heaven, and lovelier than
their names, grew side by side.”*

—TENNYSON.

SPECIALISTS IN HIGHEST QUALITY FLOWER BULBS

Prizewinning Tulip Borders

The photo at the right depicts the
PRIZEWINNING TULIP BORDER

of

SAMUEL A. SALVAGE, ESQUIRE

MR. THOS. CHADBURN, Supt.,

Glen Head, Long Island, N. Y.

Winner of First Prize in the great 1934 International Spring Flower Show, New York City, in strongest competition, also \$5,000 Gold Shield offered by the Dutch Bulb Growers Association of Haarlem, Holland.

SCHEEPERS' Tulips were used exclusively in this planting.

"Now your garden becomes the highest and most perfect source of purely aesthetic enjoyment"

Our Tulips have been repeatedly awarded Gold Medals and other Highest Honors at the most important as well as local flower shows.

We recommend that you secure always the heaviest "Mother Bulbs" for most successful tulip plantings. Our prices are based upon delivery of such SUPREME QUALITY only.

Vista in "Paradou," our gardens at Brookville, Long Island, Daffodil Time.

Daffodils of Distinction

The modern Daffodil is one of the most valuable contributions to the American Garden. Its improved form, color and beauty make it an appropriate addition to the finest gardens. It is a perpetual delight and inspiration for it delivers annually its dividends in the keenest joy and satisfaction.

The collection offered below is quite representative as it offers varieties that will please the most critical gardener.
